--	---

\* All courses except for the one credit residency and the three credit elective will be delivered on a 3 weekends with 16 hours over each weekend. The 16 in class hours delivered over Friday night, Saturday morning and afternoon, and Sunday morning. This assumes 48 hours in class contact for a 4 credit course. All courses taught by Chapman faculty except for the course in the spring of the first year will be delivered when Chapman faculty members are not scheduled to teach as part of the normal teaching load. Faculty members will not be missing any classes. The course in the spring of the first year is taught by a faculty member who does not teach in the spring term.

\*\* This residency is for one credit to be delivered on one weekend with 12 hours of teaching contact over Friday night, Saturday morning and Saturday afternoon.

\*\*\* This elective is 3 credits to be delivered on two weekends with 18 hours of teaching contact each weekend. This assumes 36 hours in class contact for a 3 credit course. All other courses except for the one credit residency will be delivered on a 3 weekends with 16 hours over each weekend. The 16 in class hours delivered over Friday night, Saturday morning and afternoon, and Sunday morning. This assumes 48 hours in class contact for a 4 credit course.

All classes involve a considerable amount of work outside of classroom hours. Students will be reading and working on team projects. All materials are on websites using BlackBoard and streaming video (MediaSite) technology to support and enhance learning. Work is expected to occur prior to the start of classroom instruction and after the classroom instruction ends.
